**Description**

I decided to raise a Replacement Heifer for my senior year. Her name is Magnolia! She is super sweet and loves to be brushed. I feed her at 8 am and 6 pm every day at the school farm. During my visit to the school farm I make sure the water pump is working and she looks healthy. I work with her weekly and give her plenty of exercises. This is the most fun I have had with a project!

**Quantity:** 1
