First Name Amelia

Last Name Shakespeare

FFA Chapter or 4H Club Name Venture Academy FFA

Validation Tag or Show reference# 27

County San Joaquin

City Tracy

Animal Weight (in Pounds) 20.20

Description

My name is Amelia Shakespeare, I have just finished my 11th grade year at Durham Ferry Outdoor Education. I have been involved in FFA since my 9th grade year and have been an officer my 10th and 11th grade year. I have raised 4 turkeys along with 2 other students. These turkeys have taught me a lot about poultry. I have learned when they are too hot or cold, what foods they prefer, and even how they interact with different people. When they see me they get excited because they know I'm their source of food. However when they see someone like my dad they run away because they don't recognize them. I have learned how to take care of poultry and how important it is to make sure they are comfortable. I have loved doing this project and hope to do similar projects my senior year.
