Description

Hello, my name is Kendelle Stagno. I am a junior at Escalon High School. I have been in FFA for 3 years and before FFA I was a member of Escalon 4-H. I have shown goats for 7 years. I have learned many things over the years of showing goats, from taking care of them, which includes providing the right nutrition they need to get them show ready. I got my goat this year from Eric McDaniel in Hughson, CA. I am currently looking for a buyer for my goat. If interested please join us at the San Joaquin AgFest on Saturday June 19th at the San Joaquin County Fair Grounds
