**FFA Chapter or 4H Club Name** Angel Fire 4H

**Validation Tag or Show reference#** EPC 579

**County** El Paso

**City** Colorado Springs

**Animal Weight (in Pounds)** 94

### **Description**

My name is Logan Bellerdine and I am auctioning and asking for bids on my market goat, Garth at the El Paso County Jr Livestock Auction.

Garth has been a steady market goat project this year with 4H. Stubborn most of the time, but has grown from being timid to confident as we have worked together. He has taken his time I know that for sure.

He was a big boy to start, weighing approximately 63 lbs at 10 weeks. We had to learn a lot about adjusting his foods so that he did not gain too rapidly to be able to participate in El Paso County Fair this year.

About me, I am going into my Senior Year of highschool, and this is my second year of 4H. Because so much was different last year with fair, it is all new again this year for

my experience...but this year, my arm is not broken! I am currently Secretary of my 4H chapter, and looking forward to Presidency next year.

This past school year came with many accomplishments I am proud of...National Honor Society, Junior Class Vice President and prom committee volunteer, Volunteer and shadowing hours at a local veterinary Hospital, and best of all, my 4.4 gpa in school an #1 in my class for grades, and working towards valedictorian for graduation this coming year. We are currently visiting numerous universities in preparation for veterinary school after undergraduate work- so likely a biology major when I start college.

I love my involvement in 4H (really enjoyed being in the show ring this year) - I have learned and grown so much and am excited to take advantage of all of the blessings that 4H brings/will continue to bring not my life!

Thank you for your support of me and to 4H.
