**Animal Weight (in Pounds)** 118

### **Description**

I have a cross bred lamb, and his name is Wilson.

I have been in 4-H for 8 years, and my favorite part of showing Lambs is knowing how to feed them right and the challenge of working with them.

Thru 4-H I have learned good leadership and how to keep good records.

My other hobby is playing Basketball and Ranching

**Quantity:** 1
