LOT 5 - Evan Jaworski Angel Fire 4H

Short Description Market Goose

First Name Evan

Last Name Jaworski

FFA Chapter or 4H Club Name Angel Fire 4H

County El Paso

City Peyton

Animal Weight (in Pounds) 1

Description

Hello my name is Evan Jaworski. I am in Angel Fire 4H club. I am in my seventh year of 4H. This year my 4H projects are show chickens and ducks, market turkeys, and market geese. I like to build models, build Legos, fish, camp, play video games, and spend time with my animals. I do not know what career path I will pursue at this point, so I plan to spend high school narrowing my choices down. I plan to attend college after high school and hope to get a couple of classes taken while I am in high school so I can get ahead.

I am raising emdben geese as they are a heavy breed and the fastest growing of the domestic goose breeds. Geese require extra niacin in their diet, especially when they are newly hatched so I supplemented their food with brewers yeast which contains this nutrient. Niacin deficiency can cause leg and joint issues. Geese also really enjoy foraging for bugs and plants. I feed them handfuls of green grasses from our pasture in the morning and evening. They are on a duck feed which is 19% protein. I have found that they eat their feed better if I mix the greens in with it as they really prefer plants to commercial food.

I look forward to meeting you at El Paso County Fair. The junior livestock auction will be held on July 17th. Thank you for allowing me to share my projects with you, and thank you for supporting 4H.
