### **Description**

Hello! My name is Riley Spurlock and I am fifteen years old. This is my fifth year raising and showing swine, but my sixth year in 4-H. I am selling my Yorkshire gilt, Ruby. My favorite part about working with Ruby this year was that she was so easygoing and friendly. Because she was always seeking attention, it was not only easy to prepare her for show, but it was also a great pleasure. Most pigs love rolling in the water and getting muddy, but you will not find Ruby even getting her feet wet. She avoids puddles from the rain on walks and adventures out to the driest spots to walk on. Ruby was such a joy to spend time with and I am excited to see what next year brings. After selling Ruby, I will use the money for future 4-H projects and for my future endeavors. My long-term goal is to go to school to become a veterinarian. Thank you so much for all of the support you have given me and the 4-H program over the years!
