**FFA Chapter or 4H Club Name** Angel Fire

**Validation Tag or Show reference#** 814

**County** El Paso

**City** Yoder

**Animal Weight (in Pounds)** 274

### **Description**

This is my 3rd year in 4h and my second year in swine. I also raise market chickens and lambs. I really enjoy raising pigs. I would let the pigs out every morning and night for exercise and showmanship practice. When they were done they would go back to the pen to eat. They were really good at going potty during their exercise time so that their pen would stay cleaner. I would also spray them with water when they were out to help keep them clean. She really liked vanilla wafers which helped when training her and trying to get her on the trailer. I love doing 4h and learning about all the different animals and how to show them. I also learn about keeping records and making good decisions. The community service time I have done has been fun too. I always look forward to the next year of 4h with all the new things I have learned.

Thank you for looking at my pig and supporting 4h.

**Quantity: 1**
