Description

Hello! Thank you so much for your time and support, whether you're a first time buyer or a long time friend. As I look back on the last ten years of showing at the El Paso County Fair, I am so grateful to have had such a great final year of showing. This year I will be selling a Charolais steer named Westley, who I purchased in October of 2020 from Linnea Frates. He has been a easy going, mellow guy who is happy just to be here. This year we attended a jackpot at the fairgrounds and Westley got to experience new things outside of the pasture. He has been such a fun steer to work with, and with your support I will be attending the University of Wyoming this fall to pursue a degree in Ag Communications and eventually attend law school. Thank you for taking the time to read my letter as well as supporting the agricultural industry's future leaders.
