Description

Today, the day of the auction is my 18th birthday! It has been a great year as I placed first this summer in the .22 pistol EPC competition, graduated salutatorian in my class, won reserve champion in breeding ewe here at EPC fair a few days ago, and am accepted to start college at UCCS this fall for computer science. The wether I am auctioning is a speckled lamb by a Ring the Bell son and out of our speckled ewe named Rapunzel. I hope you will consider bidding on him, and I also appreciate any donations of any amount on this listing that I would apply that to my breeding program for next year, which will be my last year in 4-H.
