### **Description**

My name is Courtney Scott, and this is my lamb Koda. He is a Suffolk / Hampshire cross born in February of this year. This is my tenth year raising and showing 4H market and breeding sheep. I will be a Senior this coming fall and I am dual enrolled at PPCC as well with a goal of being accepted into a Pre-Veterinary Medicine program following my high school graduation. When I am not spending time with my lambs, I enjoy riding my horse Rojo and spending time with family. During the summer I work on a ranch helping with horse training, other livestock, and babysitting.

I am so grateful that things are closer to normal for 4H this year. I have really enjoyed being able to mentor other sheep project members and will enjoy sharing my project with the public at the fair. I also really enjoyed showing at more jackpot shows again and I still have several major shows I am planning on attending this fall including State Fair, Aksarben, and Arizona National.

Thank-you for considering my lamb Koda and thank-you for supporting 4H and the future of agriculture industry in Colorado.
