Description

"Hi, my name is Rosemary and I'm a Junior at Montgomery High School. I've been in FFA since Freshman year and I've always wanted to show a livestock project, but haven't been able to until this year. I got my lamb, Maverick, back in early July and have spent these past nine months working really hard with him in hopes of being able to show him at the Montgomery County Fair.

Unfortunately because of the recent situation involving COVID 19, I have not been able to show Maverick at all. I only have one more year of High School left and only one more chance to get to show. I am relying completely on the money I make off of Maverick in order to get a lamb for next year.

After countless hours spent working my lamb and the immense disappointment of the fair getting canceled, all I can do is try to be optimistic about the situation and hope for Grand Champion next year.

If you'd like to help me out and donate directly to my 2020/2021 project, please donate to my go fund me page gofundme.com/f/rosemarys-project

Thank you so much for taking the time out of your day to read this and God Bless!"
