### **Description**

My name is Bennett Morison, and I'm in the Sweetwater Bandits 4H club. this is my 3rd year showing lambs and I love it! This year I am showing two lambs: Miss Piggy and Kermit. Kermit is a Hampshire-Suffolk cross. Miss Piggy is a less common breed called a Southdown. I have walked and worked both my lambs every morning and night to build muscle since I bought them in April. This show season I have attended two jackpot livestock shows and a clinic in Grand Junction. The County Fair Livestock Auction is the culmination of a year of hard work and dedication by Eagle county's youngest entrepreneurs. Yep - I believe each livestock 4Her is a business person because of how we invest our time, love and energy into our livestock projects spending time feeding, grooming, training and doctoring for months leading up to the fair. We are learning the value of time management skills to meet our goals and responsibilities. In fact, studies show that children who are in 4H are statistically more likely to have a better work ethic and overall success in their chosen occupation. I hope you will consider investing in the future of agriculture and the young entrepreneurs of the next generation. You can do this by Bidding on my lamb or making an add-on
