Description

My name is Ashton Stephens and I have been a 4H member for the past 8 years. I started by showing Market Steers and Pygmy goats. This is my 3rd year showing Market Goats. In 2020, I bought Market Does to start my own herd. Johnny was my first goat I raised from a baby. He was born in a cold storm while we were at work and school so I came home to three little babies. Johnny is a pure bred Boer goat out of my doe Smokin. He took first in his class. I learned from 4H how to be responsible and how to take care of a living thing. I would rather spend time in the barn then with my friends at the mall.
