City RAMAH

Animal Weight (in Pounds) 250

Description

This is my 9th year in 4-H and my final year because I am aging out. 4-H has helped learn how to be a responsible person. I enjoy encouraging the younger members in our club with their animals. I enjoy raising my pigs and showing my dog. In school I enjoy playing football. I am saving money for college, my goal is to be a fireman.

Quantity: 1
