Short Description The RHDV2 rabbit virus prevents me from selling my rabbits in the Terminal Sale category

Validation Tag or Show reference# 300

County El Paso County

City Colorado

Animal Weight (in Pounds) 0

Date of Reported Weight 07/09/2021

Description

I have raised 6 healthy rabbits this year. Because of the RHDV2 virus I am unable to bring the rabbits to the fair grounds for auction. For that reason my sale is considered Premium meaning I am not able to give the winning bidder my rabbits for meat. This is my final year in 4H since I will be attending CSU for a biomedical science degree in the fall. I have high hopes of becoming a veterinarian and continuing my involvement with animals.
