Description

My name is Cole Flory and I am a member of the Palmyra 4-H club. This is my 9th year in 4-H. This year for my swine project, all of the market hogs I am showing are hogs that I raised out of gilts that I showed in previous years. I have 2 Crossbred market hogs and 1 Yorkshire market hog. I am also showing a Spot breeding gilt. My favorite part of the swine project is selecting the boars that I want to breed my sows to and then helping them through the farrowing process. I enjoy helping my Dad and Grandpa on the farm. In addition to raising show pigs, we also raise fat hogs to sell meat at our local Farmers' Market.

In 4-H, I am also in woodworking, energy management, and cooking. I am going to be a sophomore at Santa Fe Trail High school.
