Description

My name is Connor McCoy and I have been in 4-H for 2 years. This is my first year doing a market project and taking it to the sale. The market poultry trio I am bring to the El Paso County Fair Sale are Cornish Cross Broilers that I purchased in February. What I learned my first year in this project is meat birds grow really fast and get big. I could only bring hens because my roosters were over weight. I have enjoyed doing this project and hope from the sale of these birds I can put the money toward a bigger market project next year like hogs.
