FFA Chapter or 4H Club Name Clinton Eagles

County Douglas

City Lawrence

Animal Weight (in Pounds) 230

Date of Reported Weight 07/13/2021

Description

Hello! I am Wyatt Clark and currently participating in my first year in 4-H with the Clinton Eagles. I have spent this past spring raising a very special hog named John Wick. He is a crossbred market hog that I purchased from an auction in April. I also have a spot, Jonesy, who I raised right along with John Wick. I certainly had no reservations holding up the auction card to get them secured! They have been quite the pair especially when I went one morning to feed them and the only thing I saw was a hole in the fence and no pigs around. Luckily with the help of my friends, they were found and I was able to continue the swine project! This project has been harder than I thought but I have stuck with it and ready to show off my hard work. Washing the pigs with my brothers is what I have enjoyed most. In addition to John Wick and Jonesy, I have also raised a Charolais cross bucket calf named Buck. He loves a bottle and sweet feed! I am also learning about cooking and food preservation.

Outside of 4-H, I go to school at Lecompton Elementary. I enjoy fishing and 4-wheeling. Sports is also a passion of mine. I just finished baseball and started my first season on the Perry Lecompton Junior football team. Go KAWS!!

Thank you for supporting my swine project and Douglas County 4-H!
