Description

Hello, my name is Irelynn Vandergriff and this will be my 5th year showing market steers. I love the program and the projects that I am able to do. 4H has helped me to be better at talking to others and treating them with respect. This years market steer is one that came from our family herd and I am proud of how well he has grow and come along for me this year. I look forward to the sale ring on Saturday. Thank you for your time and continued support.
