Description

My name is Sawyer Schreiner and I will be a junior next year at Eudora High School. I have a crossbred steer named George. George started off stubborn but has come a long way this last month after a lot of hard work. I would like to thank my dad for helping me with this stubborn George. I would also like to thank all the families and businesses for buying and contributing towards my animals in the past years. This money is going into savings and will go towards my college.
