Description

268lb Yorkshire. Long body, lots of bacon. Just enough fat to be perfect and not all fatty. I fed him 19% protein pig feed and gave him a lot of exercise so he would have enough muscle to fat ratio. He will be great meat for the freezer.

Wednesday was a great market swine show. Wilbur placed 2nd in his class and was the pig I used for showmanship. He and I won Reserve Grand Champion Junior Showmanship.
