Description

Hi! My name is Cole Spurlock and this is my 4th year in 4H. This year I have participated in the Market Sheep, Breeding Sheep, Market Goat and Breeding Goat projects at the El Paso County Fair. I love 4H because it allows me to work with animals that I love and meet so many new friends.

This year I am selling a lamb named Mountain Dew and he is by far one of my favorite lambs to show and work with. I took Mountain Dew to a clinic in early June, to a camp in Wyoming, and he was also my choice to show in showmanship because he has been impressive. He weighed in at 154lbs which was my second year raising the heaviest weighing lamb at the El Paso County Fair. He had a big frame so I knew he could handle the weight well. Some people strive to hit the lower market weights to be competitive in the

show ring but I also think it is important to make sure I raise good quality and quantity of product for my buyers.
