**Description**

My name is Chloe Wheeler and this is my 14th and final year in 4H and it has been an honor and a privilege to be a part of this amazing organization my whole life. I am thankful for everyone who has supported and encouraged me all these years. This year I raised 2 market goats and 2 market turkeys and will be selling my market wether in the auction. I will be pursuing a degree in welding at PPCC and have started with 3 classes this summer, and I am on track to be completed by the Spring of 2023. My future goal is to open a shop of my own, after I get a few years and some more experience under my belt. I have led a very busy summer with college classes, little britches rodeo and working at Wishing Star Farm, on top of caring for my animals and getting ready for fair. It is bittersweet to know that this is my last year, but 4H has prepared me to be the best I can be and given me the work ethic and opportunities to lead by example. I am ready to conquer the challenges that lie ahead and am excited

to see what my future holds for me. Thank you for your consideration of my project and for your support of the Jr. Livestock Sale and my fellow 4H youth.
