Animal Weight (in Pounds) 275

Date of Reported Weight 07/12/2021

Description

I would like to introduce you to my barrow, George. He is a Hampshire Cross that was farrowed in December of 2020. I purchased him in March. After a slight adjustment time, he and I went straight to work! He was walked once a day, at least. He has always been a fantastic eater and he stayed healthy. I truly believe he finished nice.

With all the hard work we put in, he took 1st in his class! We then went on to win Grand Champion Junior Swine Showman. He and I took it a step farther and went on to win Grand Champion Junior Master Showman!

Quantity: 1
