Description

Meet Maple! Maple is a Hampshire cross gilt. I have participated in the 4-H pig project for two years now. This year I loved raising Maple from a little piglet to bigger than I could have imagined. Watching a running pig is one of the funniest looking things to me and something I quite enjoyed. Maple loved being let out to roll in the green grass and make new mud puddles. How strong pigs are can be shocking, they can run you over if they wanted, luckily Maple never figured out she could. However she learned the sound of the feed bucket and spins her tail faster then any dog as I come to feed her. Please consider bidding on Maple. And thank you for participating in El Paso county's junior live stock sale!
