Description

Hi, my name is Paige Smasal. I am 9 years old. I am in the Palmyra 4-H Club. My two brothers and I have four pigs and we raised them on our small farm outside of Baldwin City. Some other things I did in 4-H this year are, we made care packages for soldiers deployed overseas. My family helped with collecting and sorting all of the items, and then assembling the kits. I also competed in County 4-H Days with members of my club in the Model Meeting competition and gave a project talk about Astronomy and how to find certain constellations. I received Top Purple at the county level, and a Purple ribbon at Regionals, which is the highest ribbon color you can receive.

Outside of 4-H, I like to play with my three cats. Their names are Han, Felix, and Bella; they are all almost one year old. I also enjoy playing softball, soccer, and volleyball.

Thank you for reading this and for your consideration.
