### **Description**

Is your freezer feeling lonely? Does your grill miss seeing you? Well, let me solve all of those problems! I would like to introduce you to Ernest. He is a large framed Simmental steer. I am Marshall Crippen and I am nine years old. Fun Fact, Ernest was the biggest steer at the fair and I was the smallest beef exhibitor. At 1530 pounds Ernest offers some of the best steaks, ribs and roasts there are around. He is going to give you the very best bang for your buck! Not only does Ernest offer quantity more importantly he offers quality. I bought Ernest in November and have been feeding him a high quality steer ration every since. He has gained an average for 3.3 pounds per day. Even with his size he worked amazing for me and I was Reserve Grand Champion Jr. Beef Showman. I want to thank you for all of your support and remind you beef is what's for dinner.
