Description

Good afternoon. I am selling my steer today, named 'Eddie.' This is my 2nd year doing the beef project and I have learned a great deal about the industry. It is a lot of hard work breaking a steer but I enjoy most of the moments. I do not enjoy when I get stepped on, though. Eddie has been ornery but he loves to lick on you, your pants, jacket, hands, anything. I hope you consider bidding on my steer and helping support the 4H community. Have a great day. And Thank You.
