### **Description**

Hi, my name is Spencer Gates and this is my first year showing as a Senior. I have my market doe for your consideration. We raise and show our own genetics; therefore, I am very involved in the breeding, kidding, training, feeding and showing of our goats. This doe is out of one of our herd bucks (AABG NBD Vincent Vangoaty SQ) and Hummel doe. She is stout, powerful and extremely athletic. We jackpotted our goats over ten weeks this summer and this doe won her class several times, making it to the grand drive, yet was a bit too light to win overall. I am excited to see her kids in 2023, as she has the wether producing genetics to add to anyone's herd. All the proceeds I make are deposited into a college savings account. I am interested in becoming a vet. Thank you for your time and consideration.
