**Description**

Hey y'all! My name is Kayla Maser and I am a sophomore at Magnolia High School. I have recently joined in FFA this year! I raise rabbits and I have been loving it! My first show ever was my own school show and I got 7th place out of 33! I had 16 adorable baby rabbits that i was so exited to show! This would have been my second show ever and i was deeply upset that it got canceled. I have spent so much time,effort, and money into my babies and I would just like to say I appreciate being able to show off my hard work and dedication! Thank you and have a wonderful day!
