Description

Hi my name is Brooke Rowan. I will be in the 7th grade at Denver School of the Arts. I have been in 4-H since I was 8 years old and this is my 3rd market lamb. I absolutely love the challenge of working with and raising a market lamb. My family does not live on a farm so we raise our market animals at The Urban Farm. We work together as a team to care for the animals, practice together, and each year we all go to a livestock camp. I really enjoy the friendships I have made through 4-H and the way we all support each other and our projects. Today, I finished third in showmanship in a large, competitive intermediate class. I received some great feedback from the judge and I will take it with me next time I enter the show ring. Showmanship is by far my favorite class to compete in regardless of the species. I also show llamas, poultry, cavy, compete in archery, and visual arts. Thank you for taking the time to read about my market lamb and for your support the Adams County Junior Livestock Sale.
