Description

Dear Buyer,

Hi! My name is Will Cox. I'm going to be 10 in September and I will be in the 4th grade at Cody-Kilgore Elementary School this fall.

My hog's name is Marshmallow. I named him that because he has a marshmallow type spot on his forehead. He really likes mud but he doesn't like to be sprayed with water.

This is my 2nd year in the Market Hog project. I got my hog in May. I feed them ground corn 3 times a day. I haul the pails to them with the 4-wheeler which is better than carrying the pails by hand.

I work training my hogs a couple times a day. I let them out of pen, get them washed off and I pretend there is a judge. I practice showing them. I use marshmallows to reward them for doing a good job.
