Description

Hi I am Wesley Willert and I will be a 7th grader this fall at Cody-Kilgore school. This is my third year having market pigs. I really like having pigs as they are interesting animals! I find them interesting to watch them grow from this little piglet to a big HOG! Of course having bacon and pork chops are good too.

I have been doing a 4-H foundation donation with one of my sale animals every year and this will be my 4th year doing this. This market gilt will be my donation animal this year. Last year, the money went towards buying a better microphone and sound system that the Ag Society and 4-H program uses for shows and events in the arena and show barns. I have been proud of my donations and plan to keep doing so in the future. 4-H has taught me a lot of skills in a lot of different areas and I like to give back to such a great program. Other project areas that I am active in are, Quilts of Valor,

welding, gardening, shooting sports, and cooking. I plan to try wood working this next year.

I hope you will support me in supporting Cherry County 4-H!!
