Description

I bought my goat from Hank Allred, who raises show goats for 4-h kids, on March 6 of this year. I took him home after weigh in and kept him in a pen with 2 ewes and my brothers 2 fair lambs. When I worked with my goat he was calm and would work with me and he trusted me enough to follow me around. My goat was very easy to

work with. He is a quiet and laid back goat who does not worry to much about what is going on. This goat is one of the best goats I've ever worked with and I hope whoever buys him enjoys him as much as I have.
