Description

This is my black baldie steer Waldo Geraldo Faldo, named after the 80's sitcom character from Family Matters featuring Steve Urkel. He was born and raised by one of our commercial cows which was AI bred to a Hoffman Hereford bull named Perfecto. He was born in February of 2020. Before I started this project, I didn't know much about showing cattle, but I was able to get in touch with a lot of people who were able to help and teach me a lot of valuable information. He has been an amazing steer to work with because of how calm and easy going he is. I really enjoy making him look fancy and bonding with him in the process.
