Description

This is my black baldie steer Pixel. I got the name Pixel because I love movies and video games. Pixel was born in February of 2020. He was out of a black commercial cow and a Hereford bull named Perfecto. He was born a twin with a sister we named Elaine. He loves when he gets combed. He was really bad at first but now he's getting better. Pixel taught me that it takes a lot of time and hard work.
