### **Description**

I'm Michaela Keller, and this is my steer, Lloyd. I purchased this Maine Anjou-Angus steer in October after halter breaking and working with a group of steers originally purchased by Delaney Cattle Services from Tracy Hand. It was pretty smooth sailing with this docile steer until he became lazy and stubborn. With an extra person and some extra time, we overcame the challenge and he was back to his normal self, willing to do what I asked of him. Lloyd has been a rewarding beef project.
