Description

Harrison my Katahdin wether was born on your family ranch just before my birthday at the end of March. He was born as a single and had incredible growth. Harrison's conformation and willingness made him stand out to me. His mom and him run with the rest of our flock on pasture during the day and come into the corrals for grain at night. I had a lot of fun working with him the past few months. I am offering you one of our best lambs of this years crop.
