### **Description**

My name is Dylan Naslund. I am 17 and going into my junior year at Cody-Kilgore High School. I have been participating in 4-H for eight years. I show market beef, stocker feeders, and I compete in shooting sports. This is my market heifer, Luna. She is a Maine Angus calf. I owe thanks to Dale and Karen Bowlin for the chance to buy this great heifer. Luna was quite a handful at the beginning, but has really come around and is easy to work with. Luna is built very well being deep through the ribs and also wide over the top. After feeding her all summer, she is now ready to be sold. With the money earned from the sale, I will pay for next year's calves and their feed. The rest will be saved for college. I would love your support in the Cherry County 4-H/FFA Livestock Sale.
