Description

Hi, I'm Greyson Hollopeter-Swan. I am 10 years old and this is my 3rd year in 4H and showing cattle. I will be in the 5th grade this Fall. I love the fact that I have a flexible schedule at home and school and I can participate in 4H. I like how life and 4H cross over with each other.

I purchased this steer as a calf and raised with my own personal herd for my fair project.

I had quite the Fall, Spring and Summer in 2020 and 2021. I was busy with many livestock projects. Why? you ask!? I LOVE cattle and have enjoyed being around them since I was 2 years old, helping out my Grandpa feed bottles to baby calves that he raises. This year I have 2 Market Purebred Hereford Steers, a Black Angus Cross Cow/

Calf Pair, a XBred Breeding Heifer, and I started the Sandhills Production project this year, purchasing a XBred Angus from family to add to my own personal herd.

When I was out at our ranch working cattle, I saw this steer as calf and knew it was a keeper for the county fair! I have enjoyed working with Ranch, he is a sound, nice bodied CharloisX. He was fed corn based feed mix, twice daily, with a helping of hay each night. Him and I spent many hours, washing, blowing out and combing. I learned this year, the more you wash, blow and comb, the more your calf will calm down and he will get use to you being around. He is a brute to lead, but he minds his manners and follows me and sets up nice.

I hope you enjoy fair this year and being in person for the auction!
