Description

Hello my name is Robert Ross. I am 14 years old and I am a Freshman at Valentine Rural High School. I am a member of the Cody Country 4-H club.

My market steers name is Applebee's, (like the restaurant). I picked him out from my dad's herd with the help of my Uncle Cody. Applebee's is an Angus Gelbvieh cross.

This year I have had to learn a lot of responsibility with my market steers. I had to make sure that they were fed two times a day, make sure they had hay and make sure they had enough clean water. I have also had to learn how to manage my time. This has been important to ensure that I am able to get my work done and still have enough time during the day to spend time working with my animals.

I have really enjoyed working with my steer and am already looking forward to next year. The money I get from selling my steer is going to go towards my college. Thank you for considering helping support my 4-H project.
