## **Description**

My name is Gabby Graver. This is my 5th year of showing swine in 4H at Adams County. This year I set some goals and was determined to meet them. My biggest goal was to grow as a showman and to challenge myself of to get better at each show I attended. I'm proud to say that I met that goal and feel like I learned so much about what showmanship is truly about and went out at each show and gave it my all. I can't wait to come back next year and continue on each year in 4H. Ag life is the best and getting to raise livestock is hard work but also a blessing.
