Description

My name is Calvin Rosell I am 16 years old and have been in 4H 6 years with the Good News 4H club. This is my 4th years doing Market Goats.

I am very proud of my market goat project for two reasons. The first reason is that this is the very first year that I showed my home bred and raised boer goats. It has been a goal of my family to raise our own show stock and this year was a huge step in that direction showing two market does from our own stock and having them place first and second. Unfortunately in the same class. I am selling my second place doe and taking back the first place on to add to my breeding stock for a future breeding doe.

Second My family and I are so very proud that I was able to make it to the fair and show at all this year as I had a stroke at the beginning of July. Although my abilities have drastically changed in the last month I was very happy to be able to come to fair

and complete my projects with the help of some amazing 4H friends.

This year will be filled with lots of therapy and rehabilitation in hopes that I will be able to come back and show again next year. Thank you for you previous and continued support.
