### Description

"Kermit the Sheep" joined Tatumn Kennedy's Market Lamb herd in late March. Bred by Todd Wise, Kermit originally hails from Loveland, Colorado but found a home here with Tatumn in Meeker. A very spirited lamb, Kermit thrived under Tatumn's care growing from 89 lbs on May 2nd, to a hearty 146 lbs by August 3rd. Tatumn and Kermit traveled to lamb jackpot shows in both Rangely and Akron this summer, as well as spent many hours together in the barn, where they perfected their teamworking skills and learned a little patience with one another along the way. All of their practicing and hard work paid off as Kermit was selected the Reserve Grand Champion Lamb at the Centennial Rio Blanco County Fair. Tatumn has always worked exceptionally hard on her 4-H livestock projects, this year was no exception. :-)
