Description

Hi my name is Rbecca Averitt, and I am a senior at Cypress Creek High School. I dedicated my freshman to Junior year to save up money so that I could buy a blue lamb and show him at HLSR. He was not cheap..(by my standards), but I knew it would be worth it in the end, as I was hoping to make auction and use the money towards my college. I got him when he was 6 months old (which isn't a good time to get them) he had a lot of health problems and we had to call the vet every other week (which cost a lot as well), but he finally got old enough and healthy enough to start showing. Unfortunately at show, it was very rushed and my lamb didn't place. I worked very hard to get him to show quality and even though he didn't do well, I learned a lot from him and FFA and from all that is going on in the world right now and I will take it all with me as I embark on my next journey in life and start working on my biggest goal yet.. to become a large animal vet. I have cherished every moment of my time and I am forever grateful for all that have helped me along the way and allowing me to follow my heart and enjoy doing what I love.
