**Description**

I'm part of Kinder Farm Park 4-H Livestock Club and this is my lamb -- Pinky! (Pinky & The Brain)

I have been a member of 4-H for the last three years. This is likely my last year because we are a military family that will relocate next year. My livestock market projects have been chickens, a pig, a market goat, and lambs. 4-H has taught me so many important life skills and I've met so many amazing people!

I truly appreciate everyone's support during my time in 4-H!

I would like to thank my 2020 buyer: Ferguson Trenching Company for buying my pig. I sincerely appreciate the support in helping me raise and sell high-quality market projects.

**Quantity:** 134
