Validation Tag or Show reference# 82309

County Tom Green

City San Angelo

Description

My name is Will Aldridge and I am a 6th grader at Wall Middle school near San Angelo. I've been showing steers since the 3rd grade. I really missed going to the Houston livestock show. I am happy that I get to participate in this auction. I had fun making this attached video. I like making videos so this is cool way to display my steers. I appreciate your support.

Quantity: 1
