### **Description**

Howdy! My name is Haden Carlile and I am a freshman at James Madison High School. This is my fourth year showing breeding gilts, but I have been a member of the James Madison FFA Chapter for five years now. This year I am raising two gilts; a Chester and a Cross.

In February, I participated in the calf scramble at the San Antonio Stock Show & Rodeo where I caught the first calf in my group. My Chester gilt is my calf scramble project and I will be showing her there in February. I have spent many hours at the barn each

week since getting animals and also spent time with my breeder in the summer experiencing what goes into breeding pigs.

Every day after school I spend a couple of hours working with my animals, feeding, and cleaning their pens. I have also attended many jackpot shows this year and have placed at each show. Recently, I won Breed Champion with my Chester.

Aside from showing pigs, I also competed in Greenhand Creed Speaking and Greenhand Skills which are Leadership Development Events. I am excited to get more involved this next semester.

I plan to continue showing pigs throughout my time in high school and would appreciate any donations as it is supporting doing what I love and enjoy.
