### **Description**

Hi my name is Tori Moberly and this is my second year raising lambs. My first year of raising junior varsity lambs I raised a Medium Wool and went on to win grand champion for showmanship at our schools junior varsity show. I am now a varsity lamb raiser showing a Southdown and a Medium Wool. This show season I have learned a lot of valuable things like to keep persevering to continue to better my lambs and my showmanship skills and a better understanding of livestock and the industry. This is my first year showing a meat pen and I have a lot to learn! Currently I have 4 Californian rabbits that I am raising through James Madison FFA. I have raised, bred, and shown Holland Lop dwarf rabbits for over 5 years now. There are so many differences between the meat rabbits and dwarf rabbits and I am so excited to continue to learn and look at the meat side of the rabbit world. With this money that I have been donated I plan to use it for my livestock projects next year.
